## FROM THE COMMANDER

Hello all!

I hope all of you and your families had a safe summer and enjoyed your Post. Your Post has continued to do extremely well through the summer months. Now that some of our members are back in their respective winter homesites and others are leaving for the warm southern areas, the Post will continue to adjust to these times and provide you with great service and entertainment through the Fall & Winter months.

The Fall Sweepstakes, our largest Fall Event is doing extremely well, and you can request additional tickets for yourself or others you may know.

Your Post is approaching growth potentials that were never anticipated, which is fantastic, and feedback is extremely positive as we grow. Our strongest event continues to be our .50 cent Monday Wing Night approaching selling just short of 1,000 in a two-hour period. The two Crab Feast events were hailed by all along with our Cruise-In Wednesday nights as fantastic. The addition of Trivia, the restructure of our Hot Spot Payouts and booking major events in the pavilion has significantly increased attendance at the Post during the weeks and weekends.

I would like to thank all who took advantage of renewing their membership and being eligible for the Early Bird Membership Drive.

Reminder, thanks to President Trump for signing S504 Legion Act which qualifies ALL Veterans who have served from 1941 to present day to join our prestigious organization. This Act is included in this Newsletter. We added 27 new and transfers on the last month. If you know a veteran who previously was not eligible, inform them of the great news and we welcome them to join. We will be running a Membership Drive soon.

Our weakest link as we continue to grow is Promotion of the Post. I am looking for a person or company that can assist the Post in this area. If you know of someone, please have them contact me.

Our Volunteer List continues to grow in which I thank all who have added their name to the list. However, with all the events that are continued to be planned which includes early 2020, we need additional help. So, I am asking you to consider contacting one of us to put your name on our Volunteer List. We will only be asking you when an Event or Activity has been scheduled if you could assist in any way.

Reminder, New Years Eve Tickets will go on sale Saturday November 2nd.

In conclusion, I am extremely proud of the efforts this Board, Employees, Volunteers and yes Members that have worked endless hours to make this Post a well-recognized FRIENDLY POST in the area.

I am grateful for all the support that has been given. Again, THANK YOU!

Your commander,

Jim Beattie

2nd Vice Brian Wagener

Now that summer is over and it's football season. Michael (kitchen manager) has come out with a special NFL Sunday Menu for our enjoyment.

The main Menu has been redone and has been shortened and prices adjusted. Kitchen continues to provide daily specials.

The Legion has many events coming up. Two big events in October 19<sup>th</sup> with the Beef and Beer Event. We will be having a pig roast and 5 bands playing. Also October 26<sup>th</sup> we are having a Golf Ball Drop, more details to follow. Please check our events bulletin board located at each entrance way.

We need to make as much money as we can as the winter months will be upon us before we know it.

#### MEMBERSHIP

Our 2020 membership drive is making excellent progress, we are currently ahead of the goals set by National and Department. For yor early birds I'm in by 6 am every morning, for those who like to sleep, I'm usually here until at least noon, on occasion later. Looking forward to seeing you.

#### Chaplain's Corner

Happy September everyone. The crowds are lighter, the air is cooler, and the days are shorter. These are the things that would normally remind us that Summer has come to a close. But, there's one other memory that is burned into minds from September's past. The image of our World Towers burning and countless lives being taken by a cowardly act of terrorism. For many of us those images are burned into our minds along with the promise that **we will not forget**. So, this September 11<sup>th</sup>, let us remember the lives taken, the heroes who died trying to save them, and those who were left behind to deal with the lose of loved ones. Let us hug our families and pray that they remain safe in a world where safe is no longer a certainty. May God keep you all and bless you. Hope to see you all around the post now that the crowds have thinned.

## **NEWS AND INFORMATION**

### **THANKSGIVING FOR THOUSANDS:**

The Sussex District will again be doing the Thanksgiving for Thousands Program this year in support of Mountaire Farms. This program provides us as Legionnaires, Auxiliary, Sons of the American Legion and Riders the opportunity to give back to our community by helping those in need have a Thanksgiving meal that they ordinarily not have because they could not afford one. There are so many unfortunate people in our communities and we can help them and put a smile on their faces as they sit down to a real Thanksgiving dinner. This program also provides Post 28 the opportunity to show the community that we, as members of the community, reach out and help the community

November 16, 2019 is the day for the collection of the food items. The Riders will collect the food items at the Walmart Store in Georgetown; the Sons of the American Legion will food items at the Rehoboth Walmart store. The Legion and the Auxiliary will be collecting food items at the Giant Store here on route 24 in Long Neck.

The collection of the food items will start at 9am and conclude at 3pm on the 16<sup>th</sup> of November. The actual packing of the boxes at the Mountaire Warehouse in Selbyville will start at 8:30am on Monday the 25<sup>th</sup> of November.
